USEFUL INFO:

ECOMOTIVE

Cars with the most efficient performance in each model range receive an Ecomotive badge. These models feature efficiency-improving technology which includes, but is not limited to, a Start/Stop System and an Energy Recovery System. These cars may also include additional features such as revised gear ratios and low-rolling resistance tyres.

START/STOP SYSTEM

When the car is stopped, the gear lever set to neutral and the clutch pedal released, the Start/Stop System switches the engine off. Once the clutch is engaged again, the engine starts automatically.

ENERGY RECOVERY SYSTEM

An Energy Recovery System works by varying the amount of power absorbed by the alternator. During braking, power which would otherwise be wasted is drawn into the electrical systems and battery. Under acceleration, the alternator draws less energy, so more can be sent to driving the wheels. This system helps you reduce overall fuel consumption, and consequently the CO₂ emission level.

ADBLUE*

The use of AdBlue helps the environment by reducing the number of harmful emissions created by diesel engines.

For full details on fuel consumption, CO₂ figures and VED bands (Vehicle Excise Duty) please see page 12.

*on Ateca diesel engines with 4Drive

Model shown: Ateca XCELLENCE with optional 19" Bi-Colour alloy wheels and Samoa Orange metallic paint.

MPGs and CO₂ figures are to be confirmed.

The Recommended 'On The Road' price includes delivery charge to dealer and number plates, one year's Road Fund Licence at the First Year Rate (£0 – £1,065 depending on the CO₂ output of the vehicle), and the new vehicle registration fee (£55). VAT is calculated at 20.0%. *For full details on fuel consumption, CO₂ figures and VE bands (Vehicle Excise Duty) please see page 12. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Optional wheels may affect emissions and fuel consumption figures. More information is available on the SEAT website at www.seat.co.uk and at www.dft.gov.uk/vca.

ATECA KEY SPECIFICATIONS

S

- / 16" 'Design' alloy wheels 36/1
- / Mediterranean Blue paint
- / Door mirrors & door handles in body colour
- / Chrome front grille frame
- / Hidden exhaust pipe
- / Electrically adjustable door mirrors
- / Twin bulb front halogen headlights
- / LED Daytime Running Lights
- / Black wheel arch surrounds
- / Rear fog light
- / Tinted windows
- / Rear wash/wipe
- / SEAT logo tailgate release
- / Media System Touch
 - 5.0" monochrome touchscreen
 - Sound features: MP3/WMA
 - Connectivity: USB and SD card
 - Four speakers
 - FM Radio
- / Steering wheel mounted audio and phone controls
- / Front courtesy light with front reading lights
- / Illuminated boot
- / Front cup holders
- / Driver and passenger sun visor with card holder for driver
- / Four cargo rings in the boot
- / Comfort seats in cloth
- / Height-adjustable driver's seat
- / Split folding rear seats (60/40)
- / Height adjustable front headrests
- / Front armrest (adjustable, with storage compartment)
- / Leather steering wheel
- / Leather gear knob
- / Comfort suspension
- / Fuel door linked to central locking
- / Gear recommendation indicator

- / Warning buzzer when lights are on
- / Front and rear electric windows
- / 12V socket in front
- / Electric parking brake
- / Power locking and remote control with two foldable keys and opening boot selector (three buttons)
- / Air conditioning
- / Driver and front passenger airbags
- / Front passenger airbag de-activation
- / Front side airbags
- / Two curtain airbags
- / Driver's knee airbag
- / Active front head restraints
- / ISOFIX points in outer rear seats with top tether anchorage points
- / Traction Control System (ASR) + Anti-lock brakes (ABS)
- / Electronic Stability Control (ESC)
- / Electronic differential lock system (XDS)
- / Front Assist, City Emergency Braking and Pedestrian Protection
- / Tyre pressure monitor
- / Hill Hold Control
- / Tiredness recognition
- / Front and rear seatbelt reminders
- / Alarm (perimeter and interior monitoring)
- / 3.5" driver's display
- / Trip computer
- / Instrument lighting with brightness control
- / Low fuel warning light
- / Lights-left-on warning buzzer

SE

IN ADDITION TO THE S TRIM

- / 17" 'Dynamic' alloy wheels 36/1
- / Electrically adjustable and heated door mirrors
- / Electrically folding door mirrors
- / LED taillights
- / Black roof rails
- / Front fog lights with cornering function
- / Media System Plus
 - 8.0" colour touchscreen with proximity sensor
 - Combined USB/Aux-in port
 - SD card slot
 - FM Radio
 - Bluetooth® audio streaming and handsfree system
 - Integrated voice control
 - Eight speakers
- / Full Link
- / Rear reading lights
- / Ambient spot lighting and front footwell illumination
- / Illuminated glove box
- / Driver and passenger sun visor with covered and illuminated mirrors
- / Storage box under driver seat
- / Rear armrest and easy back seat release mechanism from boot
- / Glasses storage compartment in roof console (not available with sunroof)
- / Front seat back storage pockets
- / Height-adjustable passenger seat
- / Driver and passenger seat with lumbar adjustment
- / Armrest with air outlet in rear
- / Chrome dashboard detailing
- / Cruise Control
- / Dual zone climate control
- / Steering wheel-mounted gearshift paddles (DSG models only)
- / Rear parking sensors
- / SEAT Drive Profile with Driving Experience button¹

¹Not available on 1.0 TSI engine.

ATECA KEY SPECIFICATIONS

FIRST EDITION

IN ADDITION TO THE SE TRIM

- / 18" bi-colour alloy wheels
- / Navigation System
 - 3D Map display
 - High resolution colour driver's display
 - SD card slot x 2
 - DAB (Digital Audio Broadcasting)
- / Electric Tailgate with Virtual Pedal (includes Keyless Enter and Go (KESSY) and Connectivity Hub with Wireless Phone Charger)
- / Rear view camera
- / Dark tinted rear windows
- / Nevada White, Rhodium Grey or Samoa Orange metallic paint

XCELLENCE

IN ADDITION TO THE SE TRIM

- / 18" 'Performance' alloy wheels 36/1
- / Door mirrors with welcome light silhouette
- / Chrome double exhaust pipe
- / Full LED headlights (includes dipped and mainbeam)
- / Aluminium roof rails
- / Dark tinted rear windows
- / Chrome window surrounds
- / Navigation System
 - 3D Map display
 - High resolution colour driver's display
 - SD card slot x 2
 - DAB (Digital Audio Broadcasting)
- / Advanced multi-colour interior ambient lighting & LED interior illumination
- / Black leather upholstery including Winter Pack
- / Aluminium door step in front doors
- / Black interior roof
- / Keyless Enter and Go (KESSY) (Includes Wireless Charger Connectivity box)
- / Wireless Charger Connectivity box
- / Convenience Pack: Includes rain and light sensor, auto-dimming rear view mirror and automatic coming and leaving home function
- / Rear view camera

ATECA OPTIONAL EQUIPMENT

19" 'Exclusive' machined bi-colour alloy wheels

Stylish 19" 'Exclusive' alloy wheels are the perfect addition for your new Ateca.

Navigation System Plus

The SEAT Navigation System Plus includes a high resolution 8" touchscreen, 2 USB ports, 2 SD cards and Bluetooth connectivity for hands-free and audio streaming. This advanced navigational system also includes voice recognition, 3D navigational view with dynamic route guidance and a 10 GB hard drive so you're totally at home on the road.

ATECA OPTIONAL EQUIPMENT

Full LED Headlights

Full LED headlights give you a powerful yet energy-saving beam. Welcome Light gives you a little extra illumination as you enter the car, so you'll never bump your head in the dark.

Advanced Driving Assist Pack

Driver Assistance Pack includes Lane Assist, which helps you stay steady in your chosen lane, and gently warns you if you start to drift out of it. High Beam Assist switches automatically between full and dipped headlights in residential areas and when there's another car approaching, so you'll never accidentally leave your lights on full again. Blind Spot Detection and rear cross-traffic alert also give you added visibility. The pack includes rain-sensitive wipers, light-sensitive headlights and an anti-glare rearview mirror.

All prices shown are fully inclusive of fitting charges where fitting is required.

The full range of SEAT approved accessories is available to view at www.seat.co.uk/accessories.

Vehicle specific Accessory brochures can also be downloaded. Always check with your Dealer first to ensure accessories are applicable to your vehicle specification.

'Click+go' is the quick, simple way to order our most popular SEAT accessories online or at your SEAT dealer. The accessories above are all 'click+go' so the 'fitted' price you see is all you pay. So you know what you're paying upfront, with no hidden extras.

With easy steps to follow it really is straightforward and, of course, you can 'click+go' any time.

You can order at your SEAT dealer or online at:
www.seat.co.uk/accessories

☐ Optional – Not available

Model shown: Ateca XCELLENCE with optional 19" Bi-Colour alloy wheels and Nevada White metallic paint.

VEHICLE EXCISE DUTY

All new vehicles are subject to a form of vehicle excise duty based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km). To help you identify the duty you will pay, the DVLA has created thirteen bands. The new first-year rate (or 'showroom tax') is designed to further encourage customers to buy vehicles with lower CO₂ emissions. The table below shows the 12 month RFL rate for petrol and diesel cars:

Effective from 1st April 2016

CO ₂ g/km	Band	1st Year Rate	Standard Rate
1	A	£0	£0
101	B	£0	£20
111	C	£0	£30
121	D	£0	£110
131	E	£130	£130
141	F	£145	£145
151	G	£185	£185
166	H	£300	£210
176	I	£355	£230
186	J	£500	£270
201	K	£650	£295
226	L	£885	£500
256	M	£1120	£515

FUEL CONSUMPTION AND CO₂

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the SEAT website at

www.seat.co.uk and at www.vca.gov.uk.

How is the fuel consumption test conducted?

- The test is outlined in Directive 93/116/EC as amended by Regulation (EC) 692/2008, and provides results that are more than representative of actual average on-road fuel consumption than previous tests. There are two parts: an urban and an extra-urban cycle. The cars tested have to be run-in and must have been driven for at least 1,800 miles (3,000 kilometres) before testing.
- **Urban Cycle.** The urban test cycle is carried out in a laboratory at an ambient temperature of 20°C to 30°C on a rolling road from a cold start, i.e. the engine has not run for several hours. The cycle consists of a series of accelerations, steady speeds, decelerating and idling. Maximum speed is 31mph (50km/h), average speed 12mph (19km/h) and the distance covered is 2.5 miles (4km).
- **Extra-Urban Cycle.** This cycle is conducted immediately following the urban cycle and consists of roughly half steady-speed driving and the remainder accelerations, decelerations, and some idling. Maximum speed is 75mph (120km/h), average speed is 39mph (63 km/h) and the distance covered is 4.3miles (7km).
- **Combined Fuel Consumption Figure.** The combined figure presented is for the urban and extra-urban cycle together. It is therefore an average of the two parts of the test, weighted by the distances covered in each part.

Additional information can be found at: www.vca.gov.uk.

Model shown: Ateca XCELLENCE with optional Nevada White metallic paint.

SOLUTIONS PERSONAL CONTRACT PLAN (PCP)

Making your budget go the extra mile

Solutions (PCP) is a flexible finance package that really puts you in the driving seat.

Solutions offers flexibility – from your deposit and monthly repayments to what you do with your SEAT at the end of the agreement.

By paying a small deposit (as little as a single month's repayment) over a repayment period from 18 months up to four years, you can enjoy a plan individually suited to your needs and monthly budget.

Solutions takes away the worry about depreciation because a proportion of the value is left until the end of the agreement (the optional final payment), which acts as a guaranteed minimum future value. By doing this means you can lower your monthly repayments or make your budget go even further with a higher spec.

The options are wide open with Solutions.

Decision Time

1. Choose a repayment period and annual mileage.
2. Pay your deposit which can be made up of cash or a part exchange.
3. Agree the number of repayments.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

At the end of your agreement you have 3 options

1. Part exchange your existing car for a new SEAT on a Solutions (PCP) contract (subject to status).
2. Pay the optional final repayment and keep your SEAT.
3. Hand the car back (subject to terms and conditions).

Important Information to Consider

- You may end your agreement earlier than the full term. However, depending how far you are in to your agreement will affect the final amount left to pay.
- If you exceed the anticipated mileage agreed at the start of your agreement and intend to return the vehicle then excess mileage charges will apply.
- It is important to keep the vehicle in good condition as this will affect the value of the vehicle. You may be charged for any damage that goes beyond fair wear and tear.

COST OF YOUR CAR

Deposit
As little as one repayment

Amount to finance
Divided into any choice of 18 to 48 fixed repayments

Additional final payment
You have three choices at the end of your agreement

SEAT INFORMATION

The SEAT Warranty

Three-year Warranty. All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

SEAT Extended Warranty. If you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover as the three year warranty, but for up to five years. You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles (whichever is soonest).

PLEASE NOTE: SEAT Extended Warranty products are only available at the time of ordering your new SEAT.

Three-year Paint Warranty. The paintwork of all models featured in this price list is covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

Twelve-year Body Protection Warranty. The internal body sections and panels of the models featured in this price list are covered against rusting through from the outside for twelve years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

SEAT Parts Warranty. SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

SEAT Accessories. Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians. Where you see the 'click+go' icon, the price you see is what you'll pay including fitting, upfront and with no hidden extras! You can order at your SEAT dealer or online at seat.co.uk/accessories.

Specifications. Specifications refer to Model Year 2017. While SEAT makes every effort to make sure that specifications are accurate at time of going to press (06/16), you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this price list can therefore be given as guidance only.

SEAT Insurance. Ensurance works alongside your existing main motor insurance policy no matter who it's from, giving you three years FREE cover on all new and used SEATs. Activate your policy at seat-ensurance.co.uk and get one-stop accident management in the event of an accident or theft. After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

Fixed-price servicing and maintenance for SEAT cars 1-15 years. Fixed prices on a whole range of services and maintenance jobs for SEAT cars are now available at participating SEAT dealers. Visit seat.co.uk/serviceoffers for further information and to book online.

SEAT Assistance (including European cover). Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

SEAT Financial Services. SEAT Financial Services specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options.

Here is our full range of finance products.

- Solutions – a personal contract plan
- Hire purchase • Lease purchase
- Finance lease • Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Test-Drive a SEAT. To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at seat.co.uk or call us on FREEPHONE 0500 22 22 22.

Fuel Consumption Information. The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

Vehicle Excise Duty and CO₂ Emissions. All vehicles first registered on or after 1st March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km).

Optional Equipment. Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.

SEAT Business Sales. SEAT Business Sales is committed to meeting all your fleet requirements and driver needs. For Fleet and Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. For Fleet and Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. For more information on SEAT Business Sales and the Business Sales Centre network, please visit the Business Sales area at seat.co.uk.

Print processes do not allow exact reproduction of colour. Please refer to paint colour swatches at your local SEAT showroom before ordering your colour choice. Some illustrations in this price list depict left hand drive models, consequently, controls and some items of equipment may differ or not appear on UK models.

We are Spanish and German. We are passionate perfectionists. We are emotional technologists. Everything we know, is everything you feel. We give design a purpose. We bring technology to life. We call it TECHNOLOGY TO ENJOY.
We are SEAT.

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this price list can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT dealership for the latest information. The information in this document refers to model year 17 vehicles. Due to limitations of the printing process the colours reproduced in this price list may vary slightly from the actual paint colour and material. These vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0845 257 32 33 or browse to www.cartakeback.com.

**Since 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%. This price list has been produced from Satimat paper which is Forest Stewardship Council certified.*
