Vehicle excise duty.

All new vehicles are subject to a form of Vehicle Excise Duty (VED) based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km). The table below illustrates the duty you will pay based on the DVLA bandings.

12-month Road Fund Licence (RFL) rate for petrol and diesel cars: Effective from 1 April 2020 until 31 March 2021

CO ₂ g/km	1st year rate – Petrol / Diesel	1st year rate – Alternative Fuel Vehicles (AFVs)
0	£0	£0
1	£10	£0
51	£25	£15
76	£110	£100
91	£135	£125
101	£155	£145
111	£175	£165
131	£215	£205
151	£540	£530
171	£870	£860
191	£1,305	£1,295
226	£1,850	£1,840
256	£2,175	£2,165

The standard rate for Petrol and Diesel is £150 and £140 for Alternative Fuel Vehicles. Please be aware vehicles with a list price (RRP), including options, higher than £40,000 will incur an additional £325 a year in vehicle tax, from the second time the vehicle is taxed.

For full details please refer to gov.uk/vehicle-tax-rate-tables

Please note: The Autumn Budget 2017 announced that new diesel vehicles registered after 1 April 2018, that do not meet the RDE2 standard will be charged a supplement on their 1st year rate, to the effect of moving up by one VED band. Currently all SEAT diesel engines are affected by this supplement.

Benefit in kind tax.

How to calculate your liability

The BIK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2020/21.

BIK calculation example: Leon 5dr SE 1.0 TSI EVO 110PS

The SEAT Warranty

Three-year Warranty.

All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest).

Retailer Warranty.

Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT Retailer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines.

Full details of the three-year warranty are available from your SEAT Retailer or repairer.

Warranties & service plans.

SEAT Extended Manufacturer Warranty

If you take out a SEAT Extended Manufacturer Warranty before your new car is registered, you'll get exactly the same level of cover as the three year warranty, but for up to five years. You can choose a SEAT Extended Manufacturer Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles (whichever is soonest). Please note: SEAT Extended Manufacturer Warranty products are only available at the time of ordering your new SEAT.

Three-year Paint Warranty

The paintwork of all models featured in this price list is covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT Retailer or repairer for full warranty details.

Twelve-year Body Protection Warranty

The internal body sections and panels of the models featured in this price list are covered against rusting through from the outside for twelve years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT Retailer or repairer for full warranty details.

SEAT Parts Warranty

SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.
